RETAIL PRICE LIST

Sept. 1, 1974

only moog™ puts it all together

introducing the new, versatile minimoog

The Minimoog looks and performs so well because it's made with the same uncompromising standards that Moog Synthesizers are world famous for. And now you can finally carry that famous Moog sound cross-country on the roughest road trips and deliver it live on any stage. So get on the right road with the Minimoog. And carry more sound around than you ever thought you could handle.
